

Science exhibition organised at NIT-K

The Hindu Bureau
MANGALURU

To commemorate the 25th anniversary of India's second successful nuclear tests at Pokhran (Pokhran-II), in May 1998, 2 KAR ENGR COY NCC on behalf of the NCC Group HQ, Mangaluru, organised a science exhibition at the National Institute of Technology - Karnataka (NIT-K), Surathkal on May 6 and May 7.

It showcased the history of India's nuclear programme, its architects and scientists, through charts,

models and audio-visual presentations.

Models of various Indian missiles, aircraft, tank, naval vessels and other Defence equipment were also on display.

A weapons display was also organised by NCC in collaboration with ITBP.

A movie screening (Parmanu) was organised for all in the evening at the NIT-K campus.

NCC Cadets of various units of Group HQ Mangalore and NITK students participated in the science quiz held exclusively for them, a NIT-K release said.
