

# 25th anniversary of Pokhran II: Science expo held at NITK

**MANGALURU, DHNS:** To commemorate the 25th anniversary of India's second successful nuclear tests at Pokhran (Pokhran II) in May 1998, 2 KAR ENGR COY NCC, on behalf of NCC Group headquarters Mangaluru, organised a science exhibition at the National Institute of Technology-Karnataka (NITK), Surathkal.

The exhibition showcased the history of India's nuclear programme, its architects and scientists through charts, models and audio-visual presentations.

Models of various Indian missiles, aircraft, tanks, naval vessels and other Defence equipment were also on display.

Weapons display was also organised by NCC in collaboration with Indo-Tibetan Border

**NCC cadets look at the exhibits.**

Police (ITBP). A movie screening (Parmanu) was organised for all in the evening on the NITK campus.

The NCC cadets of various units of Mangaluru, Surathkal, Manipal and Udupi enthusiastically took part in the exhibition.

Some of the cadets were

accompanied by their parents and other family members. Students, staff and faculty of NITK also visited the exhibition.

NCC cadets of various units of Group HQ Mangaluru and NITK students also participated in the Science quiz held on the occasion.
