

NITK Director Prof B Ravi and GGL Project and Head Sai Sankar sign an agreement for supply of piped gas to all staff quarters on its campus in Surathkal on Wednesday.

NITK signs pact with GGL for supply of piped gas on campus

MANGALURU, DHNS: The National Institute of Technology Karnataka (NITK) has signed bulk domestic Piped Natural Gas agreement with GAIL Gas Limited (GGL), a subsidiary of GAIL (India) Limited, for supply of piped gas to all staff quarters inside its campus in Surathkal on Wednesday.

The agreement was signed by NITK Director Prof B Ravi and GGL Project and Head Sai Sankar. GAIL Mangalore Petrochemicals Limited (GMPL) Chief Executive Officer (CEO) Sudhir Kumar Dixit, Dean (Planning and Development) Prof K V Gangadharan, Dean (Research and Consultancy) Prof Udaya Bhat K, Dean (Academic) Prof Dwarakesh, Dean Alumni and Corporate Relations Prof Shrikantha S Rao, Joint Registrar Rammohan Y, Senior

Manager (Marketing, GAIL Gas) Dharmendra Kumar, among others, were present during the signing of agreement at NITK campus.

Smart fuel

The pact will enable GAIL Gas to connect all residential quarters in NITK Surathkal with smart fuel of PNG, which is economical and eco-friendly fuel.

Gail, during the recent campus selection, had recruited 20 candidates in the academic year 2023-24. Deliberations during the signing ceremony emphasised on scope for future collaborations on research, especially on safety of distribution pipelines and automation of system monitoring, along with possibilities for enhanced internships and employment for NITK students.
