MANGALURU

The National Institute of Technology - Karnataka (NIT-K), Surathkal, commenced its orientation programme for BTech students of the 2024-2028 batch on Monday.

The orientation programme for 1,000 students

will go on till August 31.

Speaking on the occasion Director of the institute B. Ravi congratulated all the students.

The orientation programme is designed to facilitate a seamless transition for new students into the institute's academic and research environment, a NIT-K release said.
